Community Service Report Form

Student Name: _____

Dean: _____

Date of Submission: _____

Grade: _____

Description of Community Service:

Date(s) of Community Service: _____

Total Hours: _____

From the Upper School Handbook:

An important component of student growth and development at Rocky Mount Academy is community service. We believe that our students must understand the value of contributing their time and talents to a worth community organization. Students should select projects that take non-school time, provide no monetary gain, and serve a non-profit agency in the local community. Church, civic, scouting, medical aid, and similar activities are recommended.
