Baby Photos

Let everyone see how you've grown over the years. Submit a baby photo to the yearbook. Use the following guidelines when choosing photos:

- ◆ We recommend avoiding sending original photographs. We cannot guarantee that your photos will be returned or that they will remain in the same condition in which you submitted them.
- ◆ Digital photographs must be in jpg, gif, or tiff format - you may send them on a CD or email them to mcole@rjuhsd.us
- ◆ Do NOT send photos you have scanned and printed. We need to scan them again, which produces a poor-quality photo. It is best to email photos (or submit them on disk) if you have scanned them.
- ◆ Do not cut your pictures to fit a certain shape or to eliminate other people in the photograph. We will crop your photos to include a close-up of your face.
- ◆ Drop off photos to the Student Services window (place them in an envelope with your name on it put it in the Senior Quote box) or take them to room 403 after school.
- ◆ Questions? Contact Ms. Cole at mcole@rjuhsd.us

Deadline: December 4, 2009
