wept

My friend, Kim, likes to mingle with all types
of people at a party.

After several weeks of good food and loving
care, the formerly puny puppy was strong
and playful.

They say the temperature will plunge
tomorrow, so wear a warm coat!

The meteorite plummeted to Earth.

Your lack of effort to your chores is
exasperating!

With our efficient new washing machine, the
laundry gets done much faster.

She was so sad, the little old lady sat on the
bench and wept.

Chris was overwrought with worry that his
dog might be lost.

lament

exhaustion

The soldier's lament could be heard all
across the battlefield.

They played football to the point of
exhaustion.
