In compliance with school rules, students are expected to take care of bathroom needs between classes. I understand emergencies do occur and in consideration of this I offer **ONE emergency bathroom pass for the 2ND floor north bathrooms each nine weeks.** However, the bathroom is an unsupervised location, so therefore the use of this pass is at the students own risk. The student must inform me that they wish to use this pass and I will write the date in my gradebook. (Emergency situations will be determined by the teacher).

F. **ADMIT SLIPS:** If you are tardy to class (sign the tardy book) or were absent the day before, you must present an excused note or admit slip to make up all missed assignments. This is **YOUR RESPONSIBILITY!!!**
